“Don’t ignore success for supporting is 100 times better than having to correct an error”

From 1 person to 100 we can make it happen with good food, great service and a true smile that will add a better taste to your time with the customer care we come to provide.

Below is a list of options that can be developed as a gift to one person or a package to many. Each of our gift cards are not only worded with clarification but also provided with the Bobby Jayz Café-Owner/Operator gold seal to give it the clarification of who and what it is when using it. Along with this gift cards we also offer wrist bands (For groups) that will symbolize which team your people are with and allow for the servers and cashiers at our café to easily provide the needed tasks in making your team relaxed and pleased during the time at Bobby Jayz. The fact is that if the food service isn’t good then the success of the meeting will mostly not be any better. Please feel free to give us an email or call so that we can assist yourself in making the plan of attack nothing less than a true success!!!
